

§ 35.3 Noncompliance; deprivation of privileges.

Any patient who wilfully fails or refuses to comply with rules or instructions of a hospital or station or with regulations of the Service, may, by the direction of the officer in charge, be deprived of recreational or other privileges accorded patients. Any visitor who wilfully fails or refuses to comply with any such rules, instructions, or regulations may, by direction of the officer in charge, be denied visiting privileges.

§ 35.4 Noncompliance; discharge or transfer.

(a) If the officer in charge finds, upon investigation, that a patient other than a leprosy patient, by willful and persistent failure or refusal to comply with such rules, instructions, or regulations is seriously impeding the course of his own care and treatment, or that of other patients, he may (1) discharge the patient, or (2) if the patient is not a voluntary patient, arrange for his transfer to the custody of the authority responsible for his admission to the station or hospital. No patient shall be discharged or transferred on account of noncompliance if to do so would seriously endanger his life or health, nor shall any patient be discharged if his failure to comply is due, in the opinion of the officer in charge, to a mental disease or disorder.

Such determinations shall be subject to review by the chief of the division of the Service responsible for administration of the station or hospital concerned upon referral made by the officer in charge in doubtful cases or upon appeal made by an applicant who has been denied care or treatment.

§ 35.7 Admissions; designation of person to be notified.

Every in-patient, at the time of admission to the hospital or station or as soon thereafter as practicable, shall be requested to designate a person or persons to be notified in case of emergency.

§ 35.8 Safekeeping of money and effects; withdrawals.

(a) A place for the safekeeping of money and effects of patients shall be provided at each station or hospital, and an itemized receipt therefor shall be furnished to the patient and to any other person who places money or effects therein for the benefit of the patient.

(b) Money and effects may be withdrawn only by or on behalf of the patient, by his legally appointed representative authorized to receive or dispose of his property (including the money and effects in the custody of the station or hospital), or by a person who is authorized, under the law of the State in which the station or hospital is located, to receive or dispose of the patient's money and effects. In any case in which the officer in charge has had actual notice of the appointment of a legal representative, withdrawals may be made only by such representative or in accordance with his written directions.
